

## SODA LIME GLASS CARE INSTRUCTIONS

All glass requires care to ensure that it remains in the best possible state and to prevent chips or scratches. Soda Lime Glass is **not heat proof** so please do not expose to sudden temperature changes to avoid thermal shock or use this vessel with hot liquids.

### CLEANING

We recommend hand washing glass items using warm, soapy water and drying with a lint-free cloth to prevent water marks forming.

### DO NOT

- DO NOT subject to extreme temperature changes
- DO NOT use abrasive sponges or cleaning products

### MAINTENANCE

- Clean products after use
