### Material Information

These items are made from stainless steel with a polished finish. Stainless steel is a resilient material but care should be taken to ensure it remains looking good.

### Cleaning & Maintenance

- Finger prints can be removed with a microfiber cloth.
- General cleaning can be achieved by using warm water and a pH-neutral washing up liquid.
- Rub dry with a lint-free cloth in the direction of the finish to prevent stains from forming.

### Caution

DO NOT USE:

- Spirits, turpentine, bleach, caustic or aggressive cleaning agents.
- Abrasive sponges, hard brushes or steel wool.

The surface finish of the product may otherwise be permanently damaged.
